## FOR LETTERS ON UNIVERSAL MILITARY TRAINING.

Dear Mrs. Brown:

When the prekiminary legislation on Universal Military Trainin came before the Senate early this year, I undertook to familiarize myself with the issues involved and then opposed it.

Now that the expanded proposal comes before the Senate for action, I shall do my best to become completely familiar with it's terms and implications and let final judgment be determined by the facts as I see them/

I deeply appreciate your opinion on this vital matter.  
Sincerely

## FOR VATICAN LETTERS.

Dear Mr. Jones:

I appreciate your expression of interest in the issue raised by the President's appointment of an ambassador to the Vatican.

It is quite evident that this matter will be thoroly explored by the Senate Committee on Foreign Relations where it is presently pending and that a full report including all of the background will be presented before the matter comes on for disposition.

On this as on all other matters, I shall fortify myself fully with all the facts in coming to a judgment thereon.  
With every good wish.
