Dear ...:

Let me assure you that the proposals to be introduced in the present session to reduce the excise taxes on beer and spirits will have good attention. I have been making an exploration of this matter and can well appreciate how vital this could be to the industry.

A bill to restrict interstate advertising of beverages was considered during the last session of the 82nd Congress and no action was taken. Let me assure you that this proposal also will have most considerate attention.

Sincerely,

Everett McKinley Dirksen
